

## **MCC SNAPSHOT - DECEMBER 2014**

### **APPLAUSE! APPLAUSE!**

to Bob Hawkins on his 2nd. place Certificate of Merit award in the CAPA Individual Nature Competition for October 2014.

Congratulations also on his 4th. place tie Honor Award.

### **ASSISTANCE NEEDED FOR FINANCE POSITIONS**

The camera club is currently seeking individuals interested in filling upcoming financial positions. Volunteering with the club is interesting and rewarding, giving you an opportunity to learn how it operates and at the same time, your involvement most often results in improving your photography.

Terms for the two positions of Chief Financial Officer/Board of Directors member and Treasurer, will terminate at the end of the current fiscal year ending June 30th, 2015. Length of terms is typically for two years but may be shortened or extended under certain circumstances.

If you would like to find out about either of the above two positions please contact:

## **PROGRAM NOTES**

**THURSDAY, DECEMBER 4, at 7:30 pm**

**Presenters: Jim & Sue Waddington**

### **IN THE FOOTSTEPS OF THE GROUP OF SEVEN**

Sue and Jim have been on a quest to locate the places that inspired the Group of Seven painters. They particularly like to search for sites that can only be reached by canoe & on foot. The talk will compare photographs of some of the 320 painting sites they have found with the corresponding artwork. They will discuss how they find the painting sites & what they have learned about the painters, showing their photographs alongside art from the beautiful La Cloche hills of Killarney Provincial Park, from Bon Echo Provincial Park, the Georgian Bay islands, the Yukon and Nunavut.

**Thursday, December 18th, at 7:30 pm**

**SECOND COMPETITION: Print & Digital submissions  
due December 18th, 2014**

## SUBMIT YOUR PRINT . . .

The deadline for print submissions is December the 18th. We would love to have more prints this time around. We had a total of 30 prints in the first competition. It would be great to have around 50 this time. The prints must be mounted on a mat board. Foam core is best. They can be matted or not, but not framed. The best size, for the judges to be able to see them clearly, is in the 13 by 19 inch range, but any size, down to 8 by 10, will be accepted. Color, or B&W are permissible.

We will be having Pictorial and Creative categories, to keep things simple. If you have any questions contact me at [printchair@mississaugacameraclub.ca](mailto:printchair@mississaugacameraclub.ca).

## WHY NOT CONSIDER JOINING A SPECIAL INTEREST GROUP?

**Street Photography** shows a graphic vision of something, like holding up a mirror to society. It can be ironic and distanced from its subject, and records a single moment at a decisive time in the flow of observed human nature. It also can be literal or empathetic and personal to the shooter who renders the subject as visceral, comical, poignant, ironic, while judging the situation of a subject's own making.

**Current Street Special Interest Group members are encouraged to contact me with ideas on continuing this group.**

**Landscape Photography** Special Interest Group conversation usually starts with recognition of Ansel Adams, where his inspiration came from great masters' painting. Composition, light quality, attention to lines and balance are just the camera basics. Extraordinary images take planning, as does a painting.

**Macro Photography** requires a basic understanding of magnification ratios and how to achieve them with a variety of lenses, filters and applied techniques. After that it's just the same as most photography like portrait, landscape, nature, still life, creative and more. There will be macro Special Interest meetings in the new year. I am looking for new agenda ideas and sufficient members' interest to set a time on either a Tuesday or Thursday evening. Have ideas? Let me know.

**The Creative Special Interest Group** has, this year, prepared for our Club a terrific evening showing the talent of it's members honed over the two years of it's existence.

This group is well under way and would welcome members willing to learn and contribute.
